

We're Here To Serve You

The Center for Military and Veteran Services (CMVS) coordinates Drexel's university-wide effort for student-veterans and military dependents to be able to easily access high-quality campus services. From providing information about admissions, academics, and Yellow Ribbon benefits to extending advocacy and resources throughout their time at Drexel, we create a truly military-friendly campus community through a welcoming and informative approach.

SUPPORT EVERY STEP OF THE WAY

As a valued part of the Drexel community, you will be guided through the transition from military to college life and beyond. The following is just a sample of everything that is available to you:

- ★ Specialized community, academic, and career resources at your fingertips, such as the Goodwin College of Professional Studies providing support with your transition from the military to student success.
- ★ The Masci Family Student Veterans Lounge is a community hub designed for you. It's an exclusive space just for veterans and a great place to attend programs, study in between classes, or take a lunch break.
- ★ Campus-wide events that celebrate service, such as the Memorial Day Primer and Veterans Appreciation Month.
